FTSE Russell (the trading name of FTSE International Limited and Frank Russell Company) confirms that Telefónica has been independently assessed according to the FTSE4Good criteria and has qualified for the FTSE4Good index series. Created by global index provider index provider FTSE Russell, the FTSE4Good index series is designed to measure the performance of companies that demonstrate strong environmental, social and governance (ESG) practices. The FTSE4Good indexes are used by a wide variety of market participants to create and evaluate responsible investment funds and other products.
